Duluth Author and Head Chick

LUCIE AMUNDSEN

Author of

*Locally Laid: How We Built a Plucky,
Industry-Changing Egg Farm - From Scratch*

"As a 'remedial adult' with chickens, I heartily commend you to the words, wisdom, and knowledge of Lucie B. Amundsen, an author whose voice is as earthy as a chicken run, as goofy and bright as a pasture-raised egg yolk at sunrise, and as down-to-earth as barn boots in mud. When people ask me about chickens, I say, 'Read Lucie.'"
